Key Terms & Measurements

Business day

A day that is not Saturday, Sunday, a public holiday, special holiday or bank holiday in the place in which any relevant act is to be or may be done.

Core hours

6:00am to 10:00pm (AET) on each Business Day.

Non-Core hours

Any time outside Core Hours.

Subscriber

An eligible entity/user authorised to conduct Conveyancing Transactions using the Sympli ELNO System.

Responsiveness

Time taken by the Sympli ELNO System to respond to an API gateway request.

Service Availability

The Sympli ELNO System must be available to its Subscribers 24 hours per day, 7 days per week, 52 weeks per year, exclusive of Scheduled Maintenance. The minimum performance required during Service Availability Hours is:

- 1.1.1 - not less than 99.9% during Core Hours and not less than 98% during Non-Core Hours, inclusive of all Severity 1 and 2 Incidents.
- 1.1.2 - not less than 99% during Core Hours and not less than 98% during Non-Core Hours, inclusive of all incidents.

Scheduled Maintenance

All scheduled ELNO System maintenance activity occurs outside Core Hours where Sympli has provided notice, including, but not limited to, system upgrades, implementation, functionality deployment or system upkeep.

Complaint

An expression of dissatisfaction made to or about Sympli, related to its products, services, staff or the handling of a complaint, where a response or resolution is explicitly or implicitly expected.

System Resilience

The ELNO System must not be disrupted for the same root cause within a six-month period, and the maximum period in which ELNO System any data can be lost is 30 minutes.

Incident

Any event which causes, or may cause, the provision or operation of the ELN by the ELNO to cease, be interrupted, or which causes or may cause a reduction in the service or the quality of the services provided by the ELNO; a Data Breach; a Security Incident.
